OUR ON THE CAMPUS

Barry Huckabee and Billy Norris always enjoy filling a car full of girls when they get ready to go anywhere; and Margaret Yates, Barbara Nunn and Frances Summey are always glad for a ride.

It is always pleasant to linger outside for a last minute on pretty days and make plans for trips to town or for a week-end date.

By far the most popular mode of transportation to and from Ragsdale High School is by school bus. Our Jamestown buses transport an average of 1800 students about 1,000 miles each day.

YEAR IN THE HALL

The interesting exhibits in the library display cases catch the eyes of Sandra Bolton, Betty Boulding, and Judy Dowdy as they walk down the hall.

Edna Lucas, Craig Hodgin, and Anne Bevan find the locker is a good place to take a final peep at the lesson before going to class.

The front lobby is always busy when the bell rings to change classes.

Steve Blackmon is receiving a helping hand from Miss Blackburn, who is always ready to assist students as they learn this very necessary practice.

Whether they are making backdrops for Fall Festival, scenery for the Christmas program or painting pictures for the art exhibit, the art students are always busy.

CLASSROOM

Will you pin up my hem? Mrs. Farthing, will you come help me? These Home Economics girls are busy learning the fundamentals of sewing, an art which will be of benefit to them for years to come.

Whether it is producing hydrogen or studying the chemical and physical properties of it, these chemistry students are fascinated by the experiments they are performing.

One of the busiest rooms at Ragsdale High is the library. Rose Marie Owen is checking out books for Susie Tucker and Becky Hodgin so they can get their book reports in on time.

There is no better place at school to forget the conjugations of French verbs and the solving of geometric problems than in the student center where these seniors are relaxing during the lunch period.

SCHOOL

What would the seniors do without the ice cream shack? Janice Whitaker and Sylvia Leonard don't have trouble selling ice cream to Larry Harvell, Shirley Faust, Linda Black, and Larry Varner because they all know the Washington trip depends upon the success of this project.

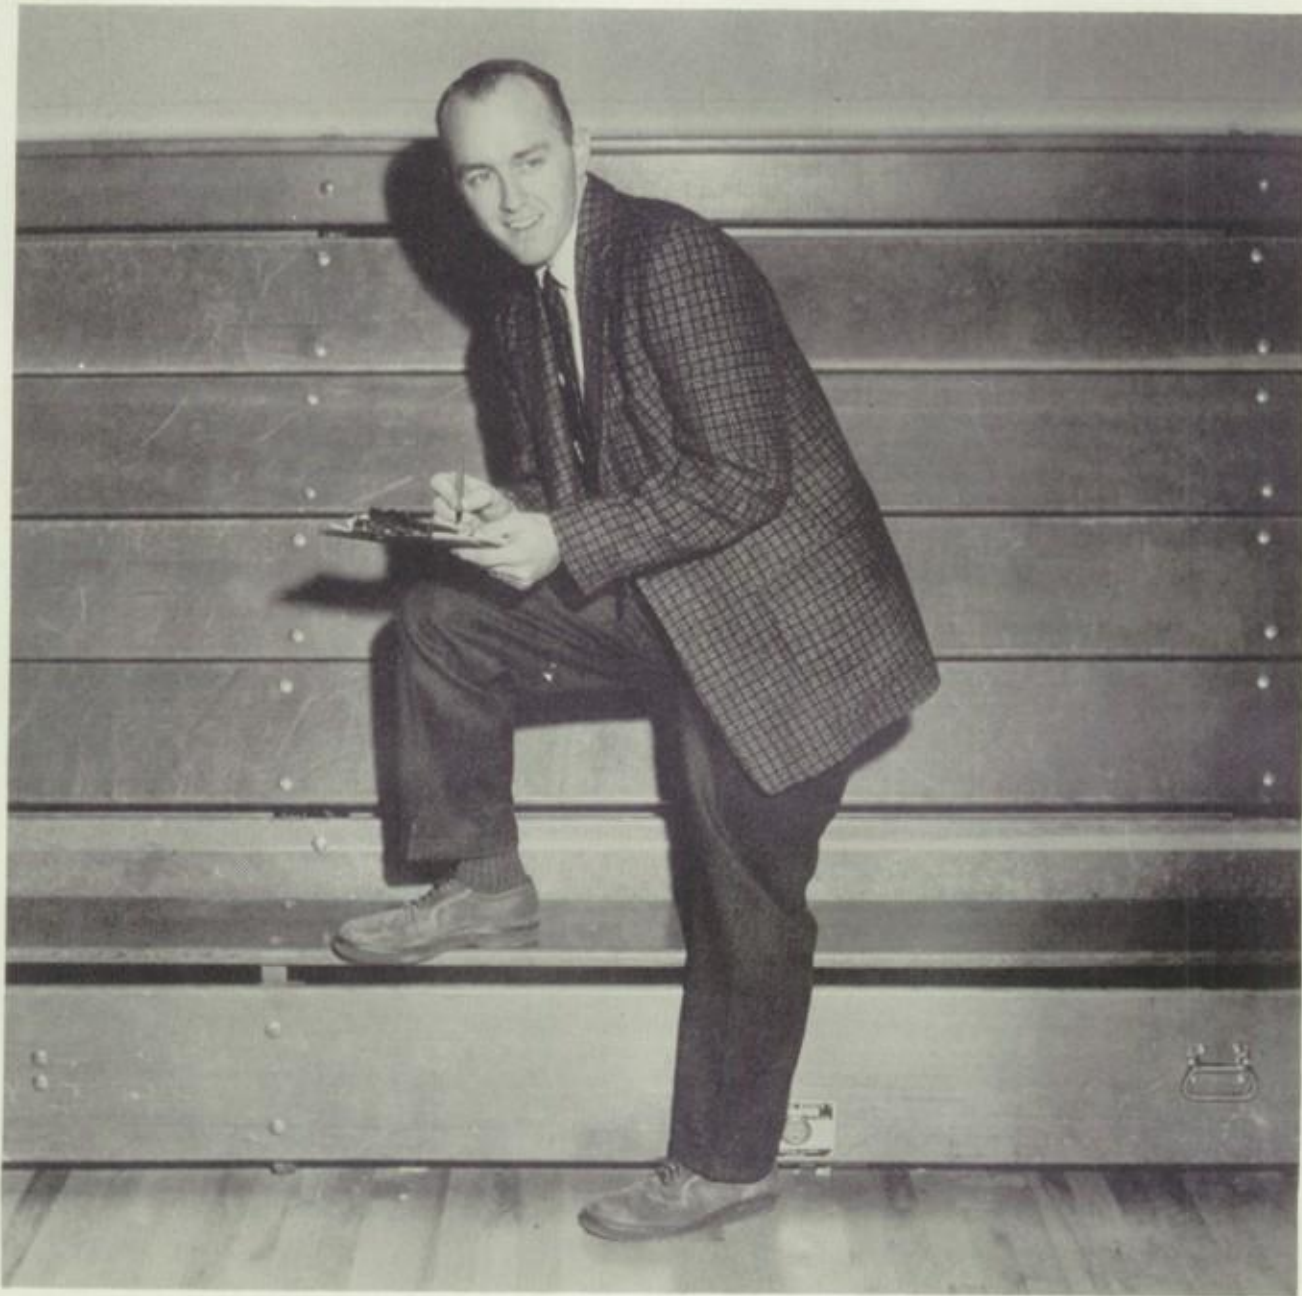

What is the most popular room in school from 11:35-1:15? The cafeteria, of course! Each student eagerly awaits the ring of the telephone which will call his room to lunch.

Larry Newsom, Linda Hall, and Ray Rushing find that being called to the office does not necessarily mean trouble. Here they are, no doubt, talking over with Mr. Miller one of the senior projects for raising money.

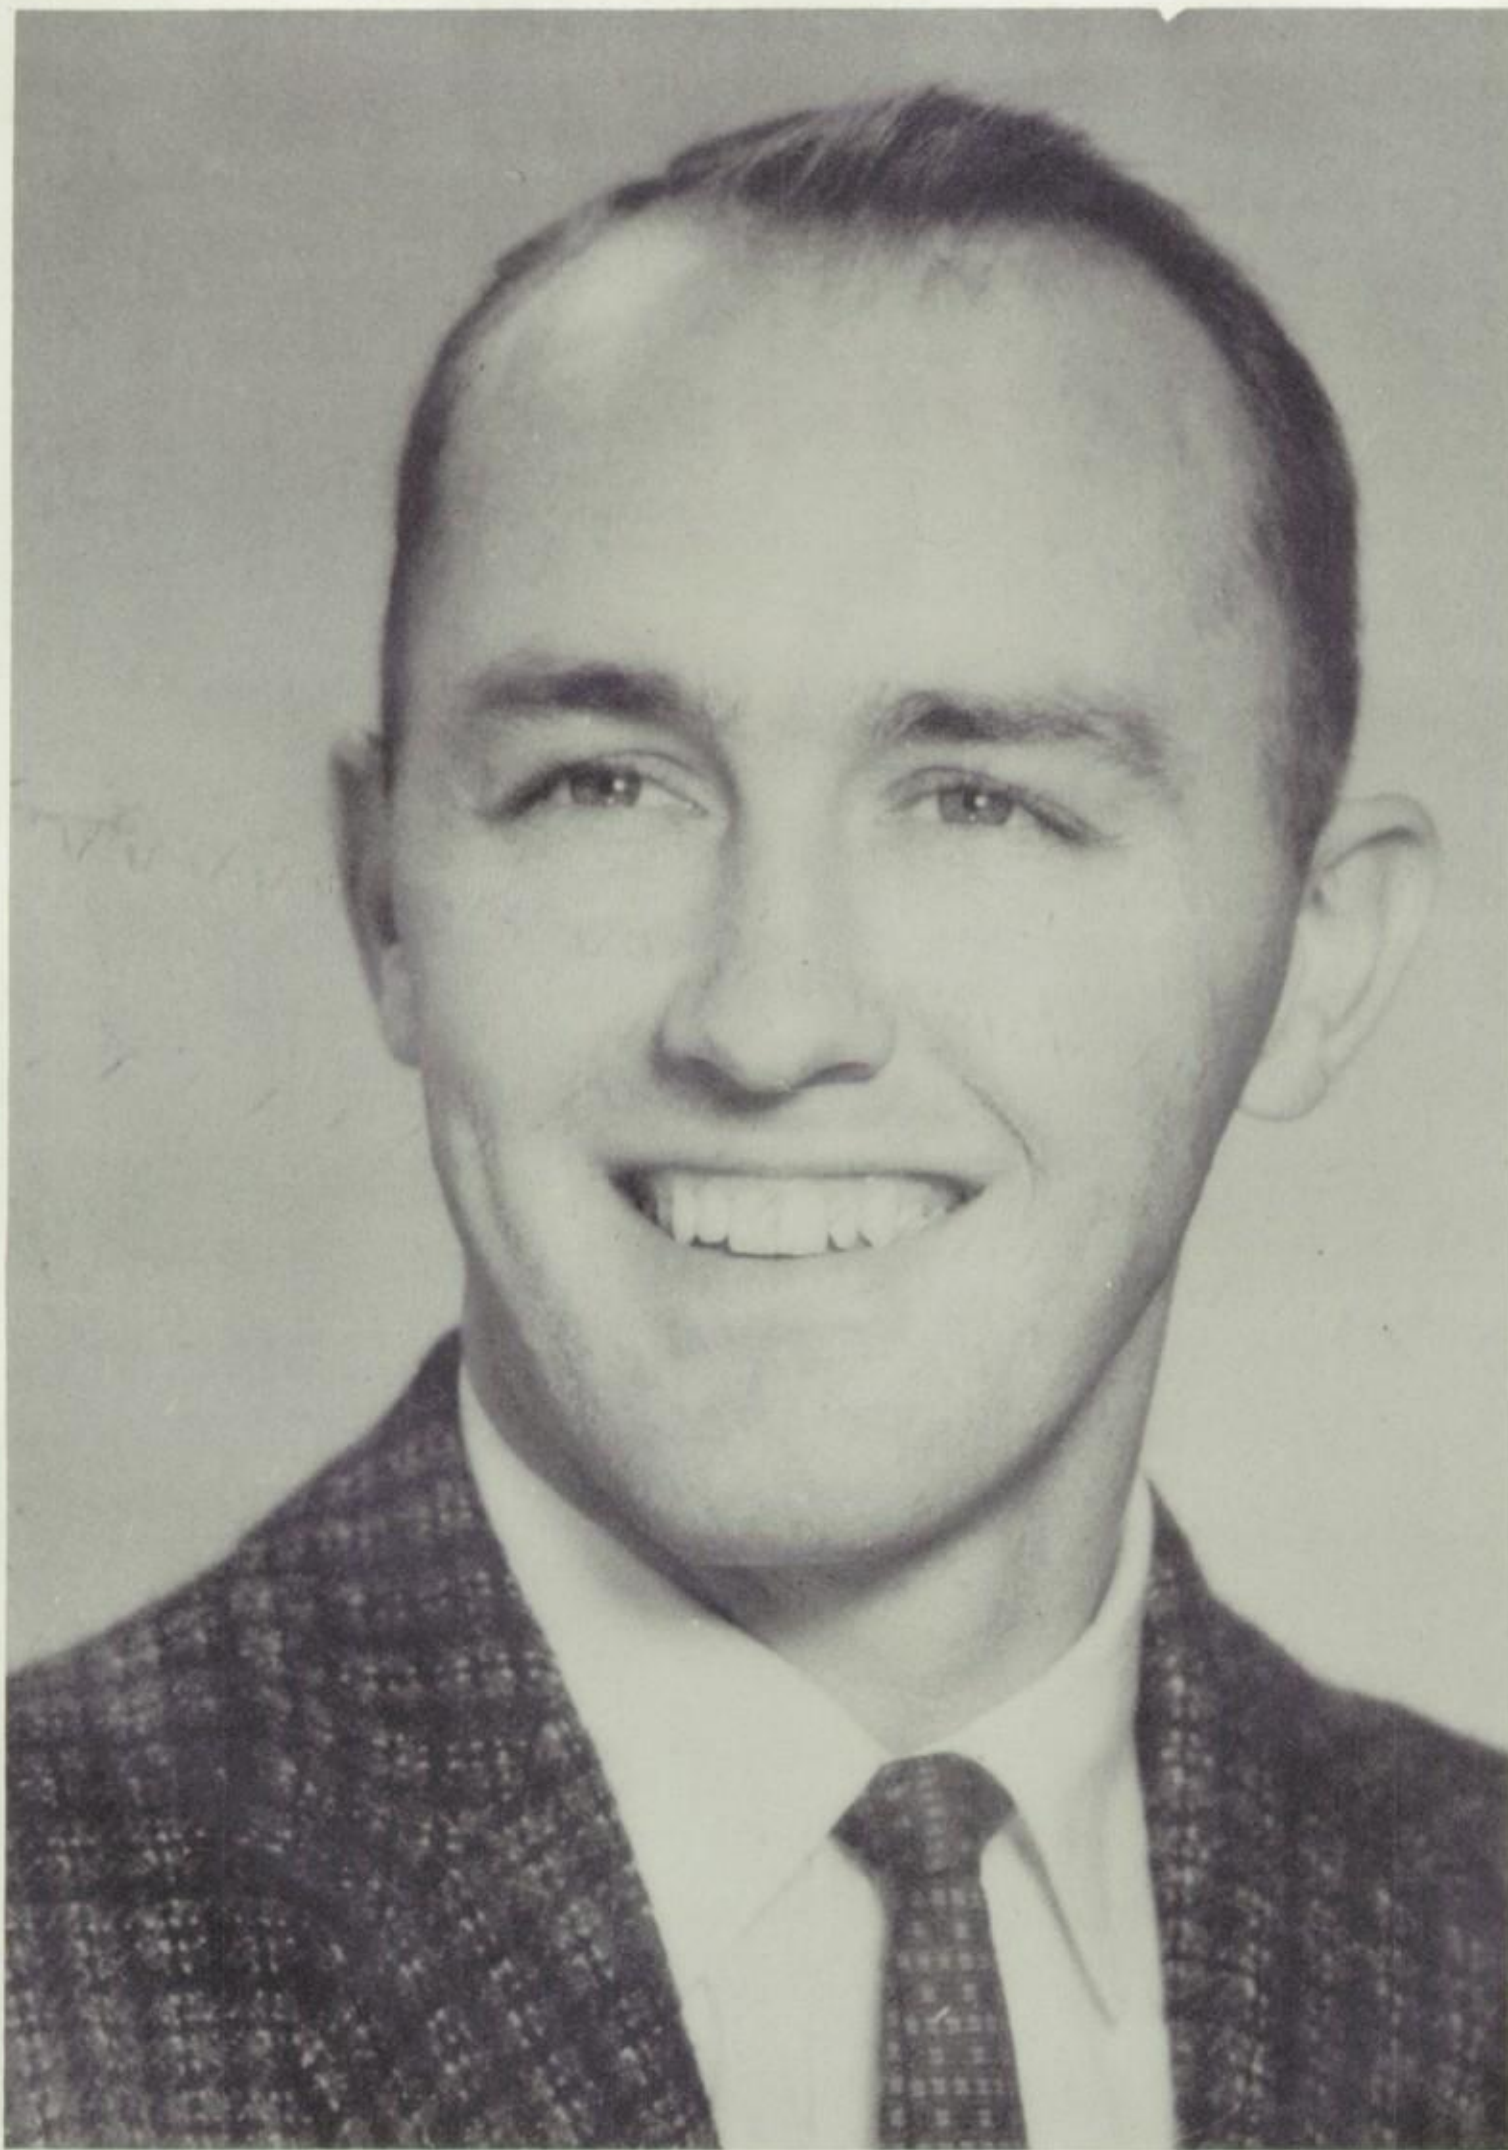

DEDICATION

Memories we shall carry with us when we graduate--memories of our year at Ragsdale and of the friends we've made. There is one who is always around to give us an encouraging word, the extra boost we need at times.

He is the girls' varsity basketball coach, a senior sponsor, and the sponsor of the Beta Club. Although he keeps busy with his many jobs, he always has time for a friendly hello and a cheerful smile as he greets each student by name. He is one who understands our problems and keeps his door open at all times for any who want to talk or need advice. He is a friend to us all.

To Mr. Donald Lee Scalf we, the seniors, gratefully dedicate this, the 1961 ECHO.

MR. DONALD L. SCALF

LEADERS FOR ADMINISTRATION

Mr. Kenneth T. Miller and Mr. T. G. Madison, Jr., administrative leaders of Ragsdale High School, have shown how guidance for problems, successful class work, and directed activity participation yield dividends.

As District Principal of Jamestown Schools, Mr. Miller has made important decisions concerning Jamestown's educational system. On his shoulders rest the administrative burdens of the entire district.

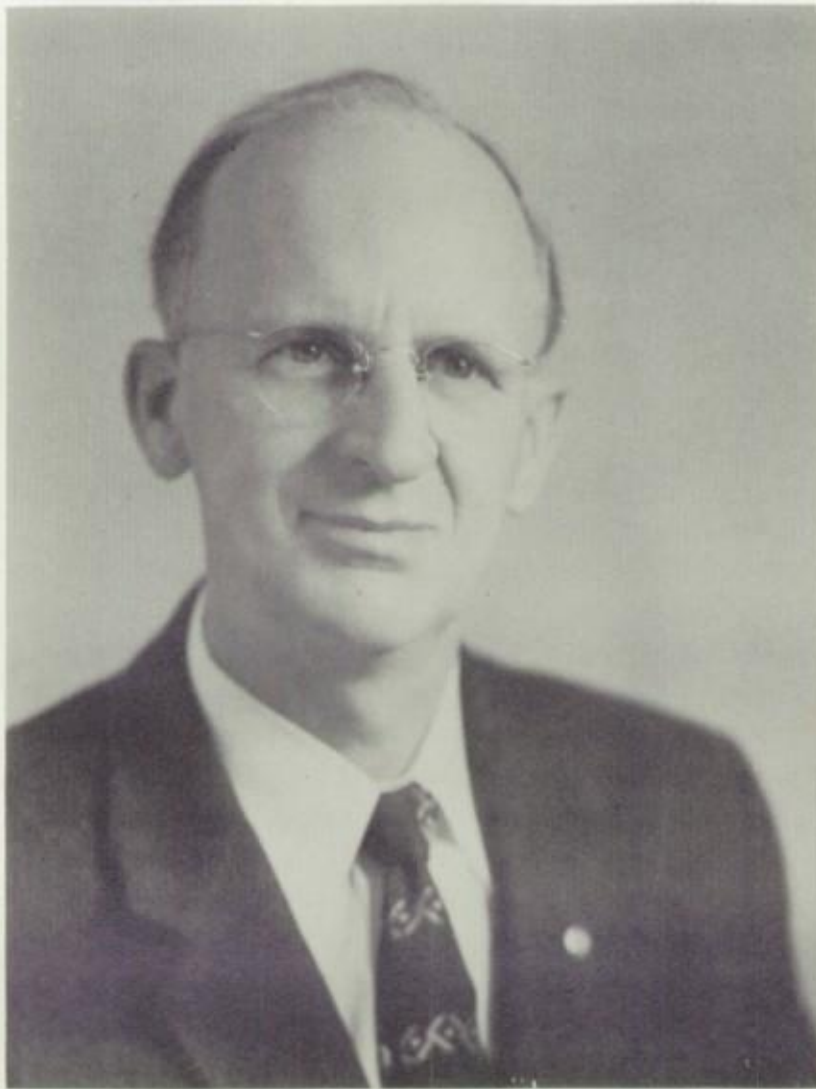

Mr. Madison's duties include working with the faculty in planning the academic program, conferring with students about grades, credits, courses, and looking after the general welfare of Ragsdale High School.

Both Mr. Miller and Mr. Madison are assisted in their secretarial work by Mrs. Audrey Wrike, who is always ready to assist them, and the faculty, and the students.

A typical faculty meeting.

FACULTY

The student body will be forever indebted to those who have led them successfully through this year at Ragsdale. Their guidance in school affairs has been a full-time job. It did not stop with class-work but continued in extra-curricular activities: the clubs, sports, and socials. Need it be mentioned that the teachers spent as much time as the students in preparing assignments? If a student were "stumped" by a math problem or a statement that had arisen in class, the teacher would gladly explain and explain and again explain so that the question might be understood. What would have happened in the science labs without the help of the teachers? When assignments required research from a source other than the textbook, our librarian was always ready to assist in finding the correct information. Each teacher has done his utmost for the students in their struggles in class and outside class.

To them each member of the student body says, "THANK YOU."

CLASSES

Any school derives its strength from the students who make up its membership. The 802 students who are enrolled at Ragsdale High School are interested in all that the school has to offer. In the fall freshmen found many adjustments to make, but they now feel an integral part of the high school life. The sophomores have worked hard and are looking forward to next year when they will be "upper classmen." The juniors have had more activities in which to participate. The seniors have been looking forward to graduation and many have made definite plans for the future. The year 1960-1961 has been a busy one for the students of Ragsdale High School, Guilford County's largest.

These Seniors are working diligently in English Class.

SENIOR CLASS

Officers: Bobby Osborne, treasurer; Jerry Misenheimer, vice-president; James Groome, president; Patty Neave, assistant treasurer; Sandra Collins, secretary.

Sponsors: Mr. McCain, Mr. Scalf, Mrs. Lane, Mrs. Davis.

The senior class, the largest ever to be enrolled in Jamestown, has enjoyed a very exciting year. Faced with the task of raising a large sum of money for the Washington-New York trip, the students have worked diligently on many projects including painting a fence, selling chocolate and magazines, collecting coupons, washing cars, and selling flowers. The class has had much fun along with the hard work. There have been parties, the Junior-Senior prom, the much anticipated trip; and of course there's graduation to which the 150 seniors are looking forward.

SENIOR

CUTEST

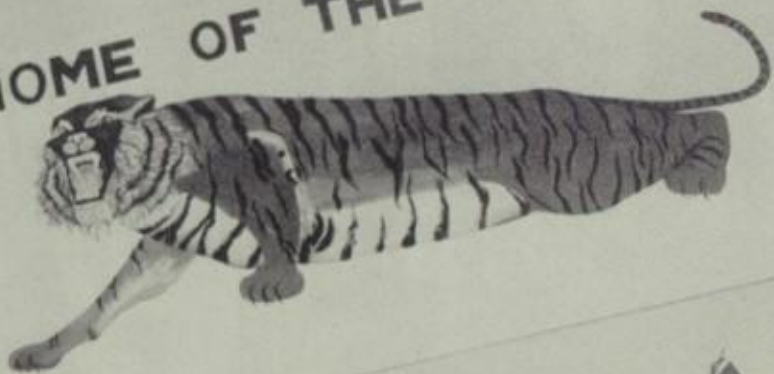

DEE RAE ALLRED and JERRY MISENHEIMER look their cutest as they perch on one of the pieces of playground equipment at City Lake.

BEST ALL AROUND

Two better all around students than PATTY NEAVE and FRED TURNER just cannot be found at Ragsdale. They participate in sports and in school activities. They are interested in their studies and are always on hand to help whenever help is needed.

HOME OF THE TIGERS

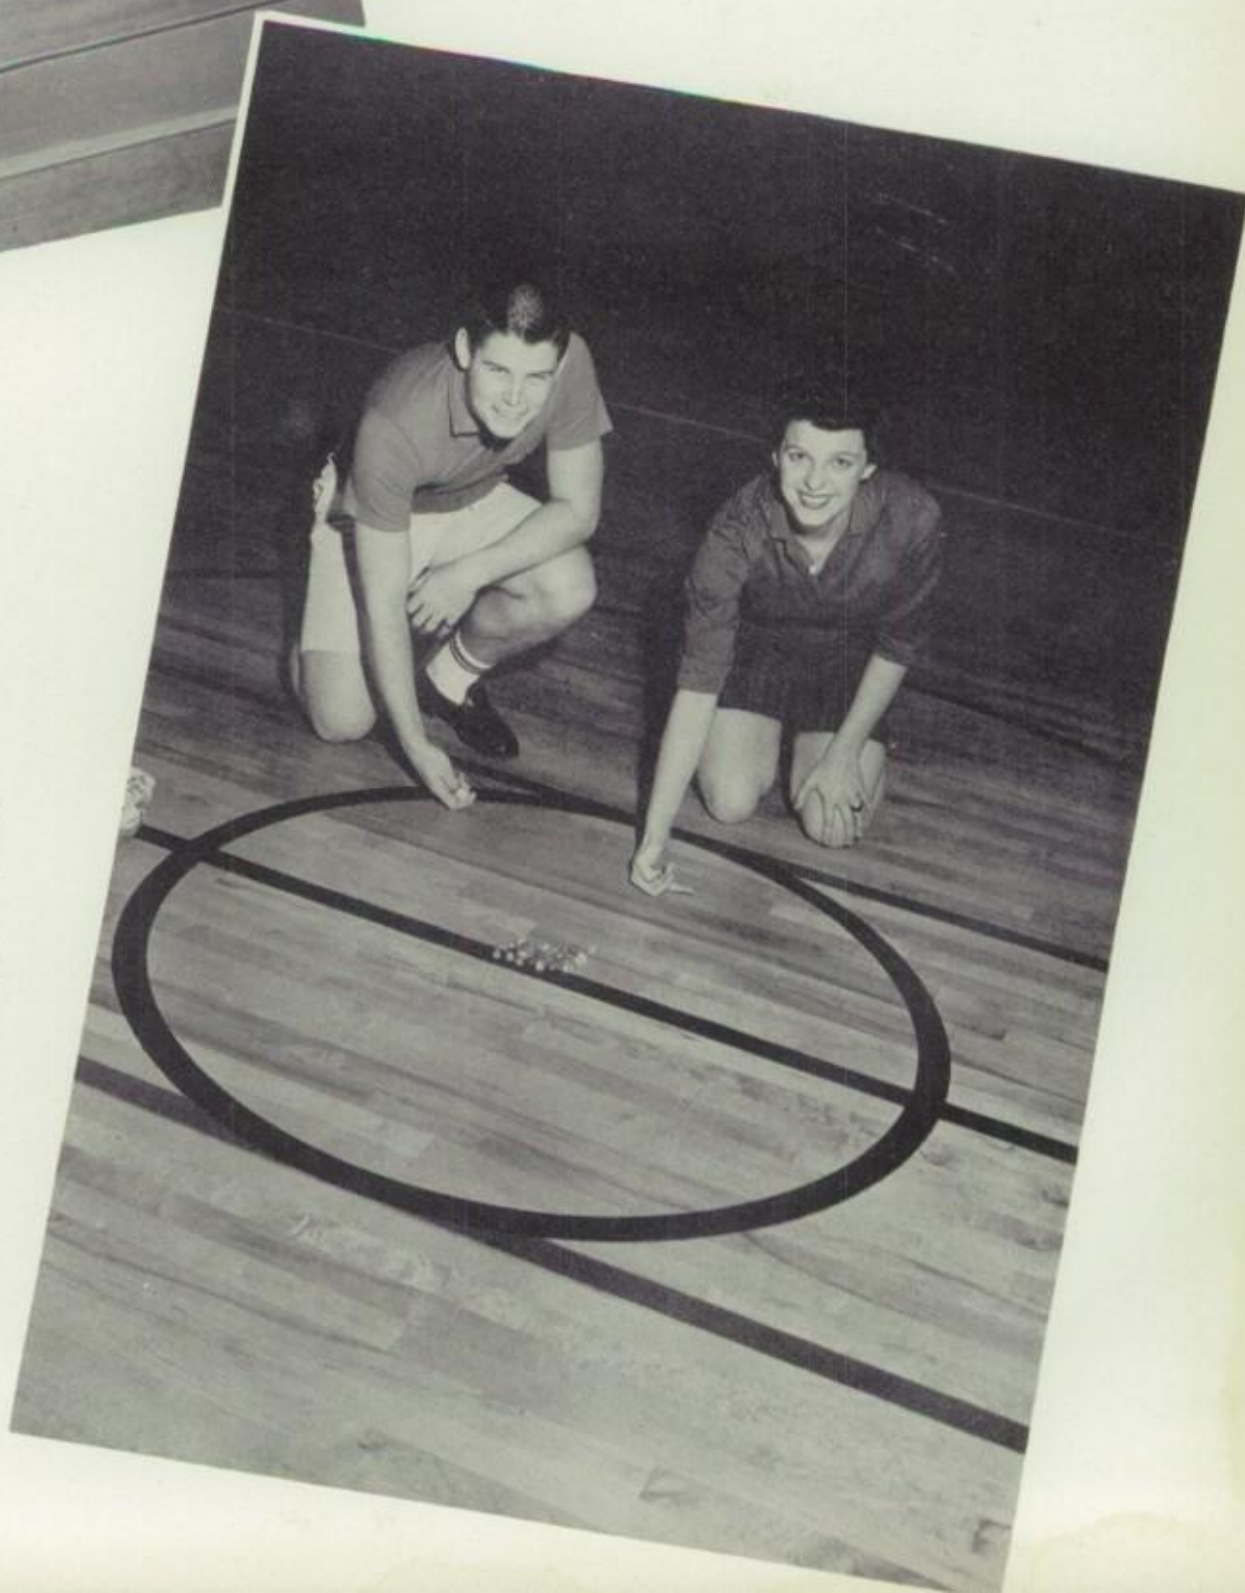

SUPERLATIVES

MOST SCHOOL SPIRIT

When it comes to having school spirit, no students better exemplify it than JUDY WEBSTER, one of our cheerleaders, and RONNIE STEVENS, president of our Pep Club, who are loud in their praises of the "Flying Tigers."

MOST ATHLETIC

It makes no difference whether it's basketball or marbles, THURMAN MOORE and ANNE TRACY are hard to beat when it comes to sports.

SENIOR

MOST TALENTED

KAREN LANIER'S talent in art and
JERRY OLIVER'S ability to dance
have won them the well deserved title
of most talented students in the senior
class.

NEATEST

You can always count on LARRY
McCORMICK and DOROTHY ELLER
to be neatly dressed on any occasion-
-whether it's at school, on a date, or

Packages, letters, phone calls--all are a part of the busy lives of our most popular seniors, DOTTIE MILLER and ROGER CHAPMAN.

BIGGEST FLIRTS

SENIOR

FRIENDLIEST

A pleasing smile, a cheerful "Hi", and a friendly wave of the hand are typical of SANDRA COLLINS and BOBBY OSBORNE.

MOST LIKELY TO SUCCEED

It will not be necessary for PATRICIA ROBERTSON and JAMES GROOME to break into the vault to assure their success in life. Their success is assured without taking such drastic steps.

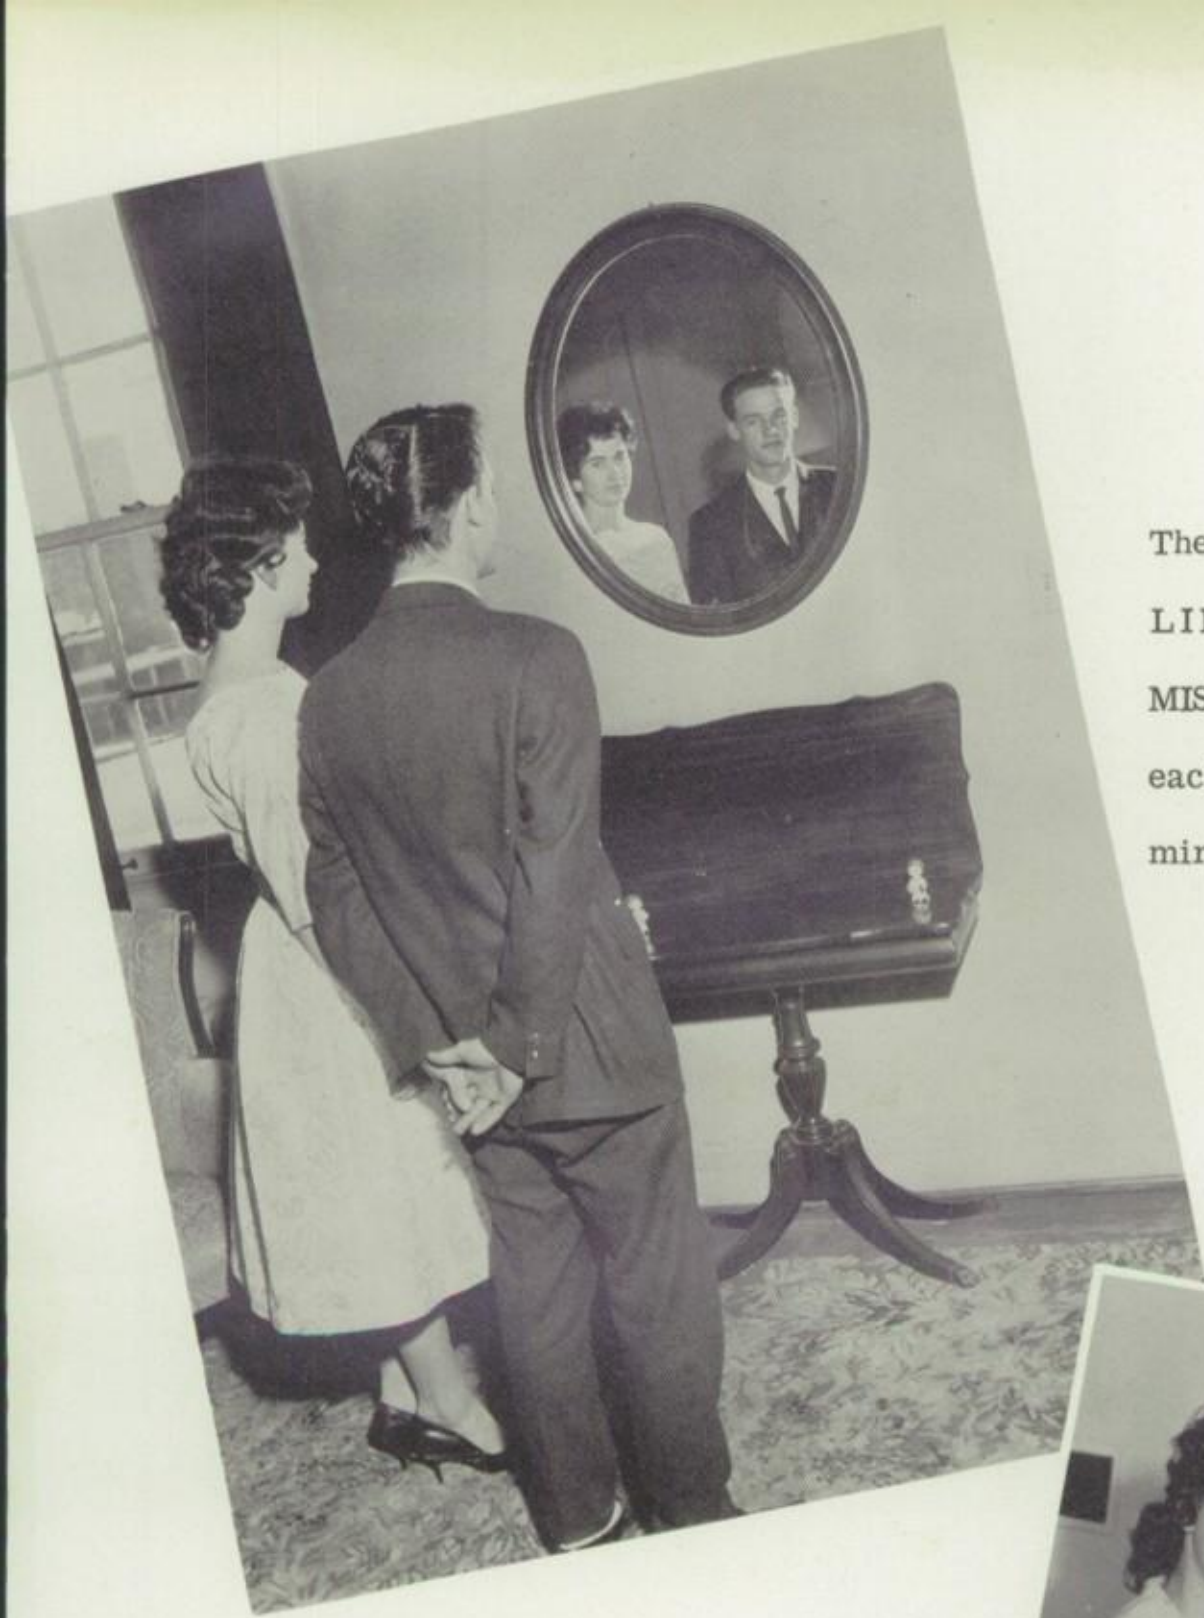

SUPERLATIVES

MOST ATTRACTIVE

The belle and beau of any gathering, LINDA ROBINSON and JERRY MISENHEIMER, capture the gaze of each other as they smile into the mirror.

MOST COURTEOUS

Even in this modern age when the girls must carry their share of the burden, courtesy is not completely forgotten. BOBBY OSBORNE has just opened the door for KAREN LANIER.

SENIOR

WITTIEST

As RICHARD BILBRO and GLENDA MALPASS act out a dramatic scene from "William Tell", we can see why they were selected as the wittiest seniors.

MOST INTELLECTUAL

Even on a pleasure cruise we find PATRICIA ROBERTSON and JAMES GROOME interested in gathering more information to add to their already vast store of knowledge.

JUNIOR

Our junior year . . . the year that has officially made us upper classmen. The year has been composed of both success and failure. However, we have learned to profit by our mistakes.

There have been exciting moments. We'll always remember the day our class rings arrived. How proud we were to wear them!

One of the highlights of the year was our Junior-Senior. We worked long and hard selling magazines so that it could be the success that it was.

Some have lost friends, but many more have gained friends this year. We have learned the real meaning of friendship and teamwork. We are beginning to feel our high-school days creep away from us as we strive to make the best of them.

A Class in United States History.

Whether its making hot dogs or concocting a stew, the Juniors take an active part in the homecoming parade.

Miss Humphrey's homeroom was very proud of its float, which won second prize.

The students of Mr. Moran's homeroom entered another good float.

SOPHOMORES

The most popular course for many of the sophomores was that of driver training. No one will soon forget the eventful day when he received the little piece of cardboard authorizing him to drive. Of course there were other important classes too-Algebra II, biology, and English, for example. Along with our studies, we enjoyed ball games, sock hops, the Christmas party and the friendship of others in our class.

FRESHMEN

Ragsdale High School seemed strange and awe-inspiring to the freshmen at first. However it was not long before they felt very much "at home" and were enjoying high school life filled with its opportunities for new adventures. In addition to their regularly scheduled classes, they could participate in the high school athletic program and become members of the various clubs. The year has offered an excellent chance to make new friends.

ACTIVITIES

The activities at Ragsdale High School are many and varied. Each one offers opportunities in leadership and service and helps to develop responsibility in its members.

As the governing body of the school, the Student Council furnishes training in the democratic processes of government and in citizenship. The newspaper and the annual staffs give their members a knowledge of journalism. The many clubs sponsor a variety of activities and create a great interest in school affairs.

STUDENT COUNCIL

Student Council Officers: Leslie Collins, secretary; Dottie Miller, vice-president; Bob McCain, advisor; Roger Chapman, president; John Ellis, treasurer.

STUDENT COUNCIL

The Student Council for '60-'61 has had one of its most successful years. It sponsored many projects; the foremost, the installation of our jukebox, which has drawn the students together in a closer relationship. Other projects carried out were morning devotions, the Christmas Dance, presenting programs and special guests for assembly, and occasional sock-hops after football or basketball games.

This was the group's first year to be affiliated with the North Carolina Student Council Congress. The Congress held its convention this year in Asheville, North Carolina, on October 21, 22, and 23. Roger Chapman, Dottie Miller, Susie Wiley, John Ellis, and our sponsor Mr. Bob McCain, attended from Jamestown and reported a wonderful and profitable trip to the Student Council.

The new officers have a goal set for them as they plan for an even more successful year next year.

Mr. Bob McCain, Advisor

THE ECHO

The responsibility for editing the 1961 Echo rested upon the shoulders of Kay Pearsall, business manager; Patricia Robertson, associate editor; Leslie Collins, assistant editor; Mrs. Lane, sponsor; Roger Chapman, editor; and Jane Pearsall, assistant business manager.

The Conference room was the home of The Echo from its infant stages in 1960 until the book went to press in the spring of 1961.

The task began in earnest when individual pictures were taken in the fall. Group pictures came next, then the writing of copy and captions and the making of our master layouts. Meanwhile the business staff took charge of the advertising.

A sincere thanks is extended to Mrs. Mary Lane who made this year's Echo publication a success.

The hard work of assembling class rolls and processing individual pictures was ably done by Linda Poteat, Suzanne Modlin, Gary Haynes, Judy Hollingsworth, Dottie Miller, Bobby Osborne, Richard Bilbro, Sandra Collins, David Byrd, and James Groome.

STAFF

Assisted by the senior class, Mark Tolton, Anne Tracy, and Gene Hill (absent from picture), have been responsible for selling more copies of the Echo than have ever been sold before.

Faye Brown (not pictured), Diana Litzie, and Karen Lanier worked diligently on the master layout forms. Steve Blackmon and Caldwell Park were very much in evidence at all school functions with their cameras up to their eyes busily snapping pictures.

To Dee Rae Allred, Charlene Wyrick, Linda Robinson, and Dorothy Eller goes the credit for typing the annual copy. Other seniors ably helped them.

Our editors Leslie Collins, Roger Chapman, and Patricia Robertson have worked long hours in making this copy of the Echo a success.

Alma Sheets, Judy Webster, Thurman Moore, Brenda Holmes, Al Munns, Susie Wiley, Judy Macon, and Patty Neave have been responsible for the sports and activities sections.

HI-LIGHTS

Sandra Collins, associate editor and Dottie Miller, editor, are busy planning one of the ten issues of The Hi-Lights.

The Hi-Lights gathers the school news and provides a permanent record of all events and activities. Editor Dottie Miller and co-editor Sandra Collins have worked many long hours together with the entire staff. Although the problems of articles and deadlines have constantly arisen, they have not marred the production of the paper.

The production of The Hi-Lights is a series of steps requiring the work of the whole staff. Club, class, and sports editors collect their news. Feature articles are written, and a few jokes are gathered. The next step is that of the proofreaders. The typists then type the copy and The Hi-Lights goes to press.

Ted Hudson, joke editor, entertains Carolyn Combs and Suzanne Modlin as they take a break from their tedious job of proofreading.

Diana Litzie, Anne Foscue and Judy Macon have worked well as exchange editors.

STAFF

Gary Haynes and Alma Sheets have served well as class editors as have Patty Neave and Roger McKelvey, sports editors.

The responsibility of typing the newspaper copy was ably taken care of by Doris Winslow, Joyce, Smith, Cassandra Garrett, Brenda Holmes, Charlene Wyrick, Judy Webster, Priscilla Suits, and Susie Tucker.

Not Pictured: Linda Jones, Larry McCormick.

To Ann Johnson and Kitty Hutchens has gone the task of keeping up with all club activities.

We can thank Patricia Robertson, Mickey Cox and Jane Pearsall for getting our papers to us each time.

THE GLEE CLUB

Mr. Paul Rainey, Director

The Ragsdale High School Glee Club is under new direction this year. It is very fortunate to have Mr. Paul Rainey as head of the music department. The Glee Club participates in such activities as the district contest and in providing music for the P. T. A. and other civic organizations. The most outstanding activity of the Glee Club is the presentation of the Christmas program and its participation in graduation exercises.

The purpose of the Debating Club may be defined as the purpose of debate. The student who gives debate his best efforts gains much in return. He learns to use a library and to find exact information he needs in the shortest possible time. He learns to be thorough and accurate. He learns to analyze, to distinguish between the vital and the unimportant. He learns the need of proving his statements, of supporting every statement with valid and sound reasoning, and he learns to demand the same sort of proof for the statements of others. He learns to present ideas in a clear and effective manner, and in a way which wins others to his way of thinking. He learns to think under pressure, to "use his head" in a time of need, to make the decisions quickly and accurately.

Each spring the local team participates in the triangular debates held in the different districts of North Carolina. After the local triangle debates, the winning teams go to the district debates at Woman's College in Greensboro. The winners of the district debates then travel to Chapel Hill and the state finals.

Ducamus Alliis Serviando (Let us lead by serving others) is the motto of the Beta Club, founded in South Carolina as an educational organization. It is a non-secret, leadership-service club for high school students throughout America.

The objectives of the Beta Club are to encourage effort, promote character, stimulate achievement, reward merit and to encourage and assist students to continue their education after graduation.

At the induction ceremony, held in December, forty-three new Beta Club members were added to the local organization.

The chief activities of the Beta Club are to maintain the Beta Shop and to assist in the concession stand at athletic events. Beta Club members also help fellow classmates with scholastic problems and assist members of the faculty.

As a reward for their efforts, many Beta members attend the state Beta Club convention each year. It was held this spring in Asheville. All those attending will long remember the three days of serious thought, fun, and excitement.

MONOGRAM CLUB

The Monogram Club is composed of lettermen in various activities around school. The most popular way to earn a letter is through participation in sports.

In addition, monograms can be received for service in our school band. At the present, the debating team is being considered for membership in this club.

The members of the Monogram Club help to develop good sportsmanship and high athletic standards between the participants and spectators.

PEP CLUB

The Pep Club is the organization that most reflects the school spirit of the student body. Its purpose is to promote interest in and attendance at ballgames. The only requirements are to attend as many ballgames as possible, especially the specified number for that particular season, and most important of all--to YELL!

This year the club has been very successful in getting large groups to attend the various sports events and to back the athletic program.

LATIN CLUB

The purpose of the Junior Classical League is to hand on the torch of classical civilization to the modern world.

First year students (slaves) are initiated by second year students (masters). Students who have finished all the Latin offered (honorary members) are not allowed to initiate new members but are eligible to attend all parties and functions of the J C L.

When initiated, the new members receive J C L pins and membership cards.

The last event of the local J C L for 1960-'61 is the Latin Week ending with the Roman Banquet.

The J C L is indeed an outstanding club at Ragsdale High School and has done much to interest the students in Latin.

FRENCH CLUB

Officers: J. Sechrest, v. pres.; K. Pearsall, sec.; R. McKelvey, treas.; R. Bilbro, pres.; Miss J. Humphrey, sponsor.

The purpose of Le Cercle de Français is to promote a better and deeper understanding of the French people and their customs. The club has met at regular intervals during the year at school. Under the direction of Miss Jeane Humphrey, we have learned many interesting facts about France and its people. Among the activities that the French Club participated in was attending a French play called Ring Around the Moon presented by the Theater of Woman's College and written by Jean Anouilh. Twenty students attended the performance.

Also this year the French Club won first prize for the best float in the homecoming parade. Its theme was "Guillotinez la Trinité."

LIBRARY CLUB

The Library Club, organized four years ago, has fifty-one members, twenty-five seniors and twenty-six juniors.

The purpose of the organization is to render a service to the school and to increase pupil interest and participation in use of the school library.

Some of the duties of the members are to process books, serve at the charging desk, shelve books, type, check invoices, file catalog cards, keep the library neat and clean, and plan exhibits and bulletin boards.

This year, the club has taken an active part in the district meeting held at Page High School and at the state convention in Asheville.

The club feels that through its varied services it is of service to the many students of Ragsdale.

HI-Y- AND TRI-HI-Y

The Hi-Y and Tri-Hi-Y Clubs, organized only last year, have grown to be the largest clubs in this area. The Ragsdale Tri-Hi-Y is the only club in this area.

Some of the members of the Tri-Hi-Y attended the Tri-Hi-Y State Convention in Burlington, accompanied by their sponsor, Miss Rose Corum. Delegates from the Hi-Y attended the Hi-Y State Convention in Winston Salem along with their sponsor, Mr. Robert McCain.

Both the clubs participated in the first formal induction service for new members. The service was held at Emerywood Baptist Church with Ragsdale having the largest number to be inducted.

The main purpose of the Tri-Hi-Y and Hi-Y clubs is to help high school students achieve a more Christian way of living by setting examples of Christian citizenship, service, and fellowship.

F.H.A.

The Future Homemakers of America Club have been organized since 1947. The membership for this school year is thirty members.

The purposes of this organization are to develop potential abilities, to develop a better understanding of family members and to contribute to their well-being, to interpret the value of home economics as a basic part of a total education, to promote good will through getting to know neighbors at home and abroad.

This year the club invited a group of girls from an orphanage for their Christmas party. Members of the club attended the district, county, and state rallies. All members of the club had fun meeting girls from all over the state at these rallies.

The Future Teachers of America Club has re-organized this year under the sponsorship of Mrs. Jane Smith and Mrs. Vivian Davis.

The main purpose of the club is to interest the students of the school in the teaching profession and to give them a chance to get practical experience by helping the teachers in various instances.

This club is helpful to not only the students but also to the faculty.

MATH CLUB

The main objective of the Mathematics Club is to promote an interest in the study of all phases of mathematics. Only those students with a B average now taking math or those who have completed two years of college preparatory math are eligible for membership. In this way the membership is limited to those who are truly interested in math.

The Mathematics Club is not all work and no play, for we have held monthly meetings and two social meetings this year. The members have taken field trips to establishments where math is extensively used.

The club is working to become affiliated with Mu Alpha Theta, a national mathematics association of senior high schools and junior colleges.

The Dramatics Club is an organization which many may enjoy. The only requirement for membership is that a student take speech.

Throughout the year, the club presented plays and gave assemblies. Those who are interested in the stage and radio usually find much pleasure in such activities.

A radio program entitled the "War of the Worlds" was presented over the Public Address System. In the spring the club helped to produce the senior class play, an event eagerly anticipated by all seniors.

All these activities---attending plays, broadcasting radio programs, and just classroom acting---have helped to promote the purpose of the Dramatics Club, to create an interest in dramatics.

Each year outstanding juniors and seniors at Ragsdale High are honored with appropriate awards and given recognition for their abilities. The students who have attained the highest scholastic averages in the Class of 1961 and will serve as our Valedictorian and Salutatorian are Patricia Robertson and Dottie Miller.

In selecting the person to be recognized as the Most Valuable Senior, the senior class nominates five students and the senior advisors select from that group the one whom they think has best served the class and the school. The faculty members this year felt that two seniors, Patty Neave and Patricia Robertson, were equally deserving of this award. They will share possession of the cup during the next year.

From nominations submitted by the entire student body, the Civitan Award winner is selected. The person who wins this award must be outstanding in scholarship, character, leadership, service, loyalty, and sincerity. It is a privilege for the Echo staff to recognize Dottie Miller as winner of this award, presented each year by the Greensboro Civitan Club.

At the end of the junior year a student who excels in United States history is selected to receive the History Award presented by the Woodmen of the World. This award was presented to Patricia Robertson at Commencement last year.

The Rachel Caldwell Chapter of the Daughters of the American Revolution recognizes each year an outstanding girl from the rising senior class for the Good Citizen award. In the spring of each year the girls in the junior class choose by vote three girls who are outstanding in dependability, service, leadership, and patriotism. Then the faculty members select one of these girls as the school's Good Citizen for the coming year. Last spring Dottie Miller was selected to serve in this capacity and will be so honored at Commencement this year.

For her scholastic ability, her enthusiasm and her qualities of leadership, Dottie Miller was selected to attend Girl's State at W. C. U. N. C. during the summer of 1960.

ATHLETICS

Along with their scholastic program the students have acquired an untiring interest for sports here at Ragsdale. As a member of the Central Carolina Conference, the teams, win or lose, have proved themselves to be outstanding representatives of our school.

Whether participating in one of the four major sports (football, basketball, baseball, and track) or in a minor sport such as golf, the teams have always possessed a will to win; but in defeat they have shown true sportsmanship.

Happy but modest in victory, extremely good sports in defeat, and earnest promoters of the great R.H.S. spirit--these are the characteristics of Ragsdale athletic teams--"THE FLYING TIGERS" of Jamestown.

Coaches-Standing: Don Hunt, Robert Pegram, Tommy Lohr, Don Scalf, Larry Klosterman. Kneeling: Bill Hiatt, Harold Crump, Bob Davidson.

CHEERLEADERS

Patricia Robertson, chief; Brenda Holmes, assistant chief; Judy Webster, Ethel Nelson, Diana Litzie, Doris Winslow, Judy Hollingsworth, Carol Pope, Dare Wrenn, Linda Poteat, Sandra Chambers, Kathy Robinson.

Patricia Robertson, chief; Brenda Holmes, assistant chief.

Who is responsible for school spirit at ball games and pep rallies? The answer is, of course, the cheerleaders. The first step in raising school spirit is the pep rally. Many hours of hard work and practice go into the learning of cheers. Pep rallies are held so that the team members will know that the school behind their team is "all for" a victory. The amount of school spirit shown at the games rests on the shoulders of the cheerleaders. During the game they lead "chatters;" and at time-outs and quarters, cheers. Without the support of the students, however, there would be no school spirit and no cheering section.

FOOTBALL

The Flying Tigers relied on speed and ambition to make the 1960 season an exciting one. Games both at home and away drew recordbreaking crowds of fans to the stadium to yell for the Tigers. Football has always rated high at Ragsdale. Teamwork and development of the mind of each individual has always made Ragsdale a tough opponent.

Who, me?

King David to the rescue.

Block that kick!

Time out!

Do you think they'll ever make the grade?

And How!

J.V. FOOTBALL

The J. V. football team has worked long and hard this year to develop skills which will eventually win for them positions on the varsity team.

Row 1: Coach Hunt, Charles Simmons, Steve Jones, Jack Beard, David Morgan, Jerry Sheppard, Gary Jones, Coach Crump. GOLF TEAM

This year the golf team has been reorganized under the leadership of Mr. Paul Rainey. The team has spent the fall and winter months practicing for the spring matches. Practices were held each Monday and Thursday either at Blair Park, Sedgefield, or Longview. As the annual goes to press, the team has about 6 home and 6 away matches lined up with 2A, 3A, and 4A schools; and their hopes for a very successful year are high.

Coach Rainey, Captain Wayne Ward.

Kneeling: Chuck Coble, Eddie Edwards, Fred Harllee, John Carr. Standing: Mr. Rainey, Norman Lyles, Wayne Ward, Roger Rich, Douglas Smith.

Captain Moore gets last minute instructions from Coach Davidson.

BOYS' BASKETBALL

At press time, the Boys' Varsity Basketball Team of '60-'61 is having a fine season under the coaching of Mr. Bob Davidson. The Flying Tigers are enjoying great success at home--but are having some troubles on the road.

Although the boys do not have a championship squad, they have showed great hustle, determination, and good sportsmanship. Sparked by the starting five of Ted Hudson, Al Munns, Wayne Hatchel, Ken Miller, and Thurman Moore, the '60-'61 edition of the Flying Tigers basketball team is proud to represent Ragsdale High School and its fine record of sportsmanship and will to win.

The "Old Timers" win again!

Guard him!

Kneeling: Ken Miller, Gerald Stephens, Wayne Hatchel, Coach Davidson, Captain Thurman Moore, Ted Hudson, Al Munns. Standing: Grady Lain, mgr.; Billy Johnson, Henry Kendall, Bill Groome, Robert Vernon, Johnny Coble, Michael Ritch, Tommy Watlington, mgr.

Pros versus Amateurs!

GIRLS' BASKETBALL

Captain Suits and Coach Scalf map out their strategy.

As the ECHO goes to press, the Girls' Varsity Basketball team of '60-'61 is enjoying perhaps the most outstanding win-loss record ever known here at Jamestown. As of now, the Tiger Lassies are undefeated and are strong contenders for the Central Carolina Conference title. Under the fine coaching of Mr. Don Scalf, the girls have learned to work and play, not as weak individuals but as a team -- strong in ability and spirit.

Whether in victory or defeat, the Tigerettes, as true athletes do, show good hustle, fight, and sportsmanship. This is the team of '60-'61, ever proud to wear the "blue and white" for Ragsdale High.

Dottie Miller, Paulette Armfield, Ann Johnson, Beverly Wafford, Anne Tracy, Genette Gregory, Priscilla Suits (Captain), Suzanne Modlin, Judy Macon, Alma Sheets, Brenda Holmes, Patty Neave, Ethel Nelson, Mr. Don Scalf, coach.

J.V. BASKETBALL

Kneeling: Dare Wrenn, Kitty Jowers, Doris Hodgin, Marie Poteat, Mary Ann Horney, Sharon Tate, Dixie Wade, Mimi Tracy. Standing: Coach Pegram, Carol Wilson, Sheila Winslow, Rachel Jowers, Phyllis Tucker, Joan Stanley, Candie Black, Sue Ellen Smith, Paulette Armfield.

Kneeling: Co-captains-Jimmy Elliot and Sam Gentel. Standing: Connie York, David Kennedy, Jerry Wall, Danny Beeson, Johnny Tolton, Donald Routh, Larry Veach, Hayden Hagie, Hudson Mann, Tommy Ragsdale, Danny Cagle, Don Petty, Tommy King, Jimmy Taylor, Jimmy Finch.

The defensive play of Roger Chapman, catcher; Ted Hudson, short stop; and Thurman Moore, third base, helped carry our team to victory.

Don Brewer, third base; Al Munns, second base; and Wally Thompson, first base; played well all year!

Doug Smith pitched our team to many victories and was aided by Roger Rich, center-field; and Mickey Cox, left-field.

Billy Manning, right-field; Tommy Mangum, center-field; and Caldwell Park, right-field; helped make the year successful.

1960 BASEBALL

The 1960 baseball season was very successful with a record of twelve victories and three losses. Ten letter men are returning for the 1961 season, and the team is looking forward to an even better record this year.

Kneeling: Jack Fausnet, manager, Tommy Mangum, Thurman Moore, Mickey Cox, Roger Rich, Caldwell Park, Billy Manning. Standing: Coach Davidson, Roger Chapman, Don Brewer, Doug Smith, Al Munns, Ted Hudson, Wally Thompson, Captain.

BOY'S TRACK TEAM

1960

The 1960 season brought complete victory in conference competition to the trackmen of Ragsdale. In addition, contestants scored favorably in the sectional meet at Winston Salem and participated in the state meet at Raleigh.

Gene Hill and Buddy Sikes, outstanding sprinters, and Loren Stegenga, an excellent high-jumper, were the high scorers for the year.

Jimmy O'Briant, pole vaulter, John Weir, field events, and Craig Hodgin, sprinter, contributed to the success of the team.

Billy Lovette could hold his own in distance running; and Buddy Sams was the best pole vaulter Ragsdale has ever had.

Bob Harriss and Fred Turner performed well as broad jumpers as did Skip Parker in the pole vault.

Charles Cromer, high jumper, Bill Cantor, sprinter, and Robert Fincher, miler, are promising prospects for the 1961 team.

GIRL'S TRACK TEAM

1960

With signs of spring and warm weather, the 1960 Track season got underway. While interest in Track is not as great as in the four major sports, much work and training was shown. The 1960 girls' team had duel meets with Summerfield and Denton. Although, they didn't emerge victorious every time, they still enjoyed the participation and competition.

Paulette Weaver was a fast runner who held first spot on the relay team.

Mary Horney and Kitty Jowers added depth to the relay team. Patty Neave, whose specialty is the dashes, led the team in points.

Mary Lynn Hightower, Suzanne Modlin, Doris Waynick, shotput; Alma Sheets, standing broad jump; Patty Neave, captain, dashes and relay.

ADVERTISEMENTS

If it were not for our generous advertisers, the 1960 copy of the ECHO would not have been possible. The staff and the entire student body of Ragsdale High School wish to say, "Thank you," to each one who supported our annual by subscribing to an ad. It is the hope of the staff that the friends and patrons of Ragsdale will show their appreciation to the advertisers by giving them their patronage.
